Respected Madam,

I would like to express my sincere gratitude and admiration on behalf of the Artificial Intelligence and Data Science Department at Thakur College of Engineering and Technology for your tremendous efforts and insights that you contributed to our Workshop on Generative AI and Computer Vision on 10th August, 2024. Your contributions to mentoring over the Generative AI and Computer Vision have been noteworthy and we truly value your advice in guiding the students through workshop. Your subject expertise and the manner in which you imparted your knowledge and experience to the students have enhanced the session and made it a more rewarding experience for everybody.

Your ability to connect to the students by simplifying the complex concepts as well as connecting students to the real time scenarios is highly appreciated. We are sincerely grateful for providing students with deeper knowledge and understanding of the subject. We whole heartedly thank you for your time and efforts, the insights provided by you in the session has made it a resounding success. We would want to express our thanks for considering our request and for making the event an immense success.

We hope to collaborate with you in the future as well.

Thanking you

Yours sincerely,

Dr. Prachi Janrao
